

RATE CARD

of Nova Broadcasting Group AD

effective as of 1 January 2017

Advertising air time from Nova Broadcasting Group AD, UIC 832093629 (NOVA) may be purchased by advertising agencies and advertisers by signing a Business agreement with a guarantee for a certain budget investment.

I. GENERAL PRINCIPLES

NOVA prices its advertising time based on the data provided by Peoplemetric agency Nielsen Admosphere Bulgaria EAD, UIC 201937832, reported by NOVA's internal information system and Smart Ad Server for the websites listed in the Rate card of Net Info AD, UIC 202632567. NOVA invoices the advertising agencies/advertisers for the actually delivered rating points until reaching the budget stated in the Business agreement.

1. Methodology of selling

Advertising airtime may be purchased in one of the following two ways, depending on the methodology of planning for the offered channels – Nova, Diema, Kino Nova, Diema Family, Nova Sport, Discovery Channel, TLC, IDx, Disney, Fox, Fox Crime, Fox Life, 24 Kitchen, National Geographic, AXN and City TV:

- 1) **packages with audience guarantee** based on TRP 30 (target rating points for a 30" spot) – for the group of channels as a whole. Compliance with the channel split announced by NOVA is obligatory for all advertisers. Audience delivery will be guaranteed for campaigns on Nova, Diema, Diema Family, Kino Nova, Discovery Channel, TLC, IDx, Disney, National Geographic Channel, Fox, Fox Crime, Fox Life, City TV and AXN. For Nova Sport and 24 Kitchen the budget will be distributed on a monthly basis with a fixed spot price;
- 2) **Separately for each channel by its monthly rate cards** - Nova, Diema, Kino Nova, Diema Family, Nova Sport, Discovery Channel, TLC, IDx, Disney, Fox, Fox Crime, Fox Life, 24 Kitchen, National Geographic Channel, AXN and City TV - at spot price per program without audience guarantee. There is no limit to the number of channels, which may be purchased this way.

2. Guaranteed audience packages

The advertiser/advertising agency plans and NOVA positions the campaigns so as to achieve the budget contracted in the Business agreement.

If a certain campaign delivers more or less than the planned number of target rating points, NOVA will respectively remove or add spots within the period of the Business agreement, keeping the overall channel and day-part split.

NOVA has the right to move (without prior approval by the advertiser or the advertising agency) up to 15% of the total number of ordered spots according to the parameters agreed by the parties. If the officially announced monthly channel split is not observed, NOVA has the right to move spots as to attain it.

The guaranteed audience packages offered by NOVA are based on an annual cost per point for the following target groups listed below:

After every invoice issued by NOVA, the advertising agency/advertiser receives a preliminary report of the delivered rating points based on the peoplemetric agency's preliminary data reported by NOVA's internal information system.

After receiving the final data, NOVA notifies the advertising agency/advertiser and if reconciliation is needed, the parties exchange the necessary accounting documents according to the existing legislation.

At the end of each monthly campaign, and after receiving of the final data, NOVA shall issue final report and aired campaign certificate.

For deals for broadcasting of an agreed number of advertising forms, NOVA shall issue together with the invoice and final report based on the peoplemetric agency's data reported according to NOVA's internal information system together with the aired campaign certificate.

The advertising agency/advertiser accepts that in case of differences between the data from NOVA's internal information system and the peoplemetric agency's software, smaller than 0.1%, the data from NOVA's internal information system are considered final.

For differences bigger than 0.1%, the peoplemetric agency's data will be accepted as final. Such variances are reconciled by the parties up to 0.1% in total for all campaigns of the advertiser, as follows:

With regard to the above reconciliation, the parties will exchange the necessary accounting documents according to the requirements of the existing legislation.

Claims regarding the parameters of an aired campaign are accepted no later than the 15th day of the month following the one in which the respective advertising forms have been aired.
